Becker Meisel Completes \$5.5 Million Financing for the HC Companies

Livingston, N.J., July 1, 2013 – Becker Meisel LLC completed a \$5,575,000 permanent mortgage financing on behalf of the HC companies. The lender was Investors Bank.

The HC companies, owners of a mixed use residential and commercial redevelopment project located in South Plainfield, Middlesex County, NJ, were represented by Stephen J. Pagano, Esq., a member of the firm's Real Estate Practice Group and Business Services Group. The management team of the HC companies relied on the counsel of the members of Becker Meisel's Business Services Group on various matters throughout the successful development of the project.

"We are pleased that the HC companies selected Becker Meisel to provide guidance not only in the placing of the permanent financing and in the ultimate close of the financing, but in other areas in which our firm's Business Services Group members continually assist clients," said Mr. Pagano.
